

# BusyFold® Light folding display systems

Headers are black on the reverse for personalising

These popular lightweight display systems are now available with black or grey trim

Lightweight folding panel system – a six panel system weighs only 7.5kg. 600 x 900mm panels are PVC framed in a choice of black or grey. Top and bottom panels are linked with flexible hinging, and clip on top of each other for easy assembly. Available in a 6, 7, 8 and 10 panel configuration with a range optional carry bags and header panels. All panels are double sided with a choice of loop nylon

## Loop nylon cloth Stock colours

## Extended range - made to order

Please allow an extra 2-3 days
