

BusyFold® heavy duty display plinths

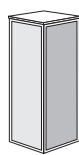

Add a third dimension to your display with these folding plinths

Enhance the folding display system with these matching aluminium folding plinths. Same interlocking gear hinge mechanism make this a superb, robust and safe system. The white platforms secure the folding panels into position. Extra storage for catalogues, coats etc is achieved as 1 of the panels hinges open, to create a useful cupboard. The rigid double sided panels are available in 14 loop nylon finishes to match the display systems.
