

Shield® Exterior Showcases with sunken posts

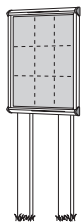

Post mounted weatherproof showcase for securing into concrete

A Shield® exterior showcase with the addition of a powder coated steel backing plate for additional weatherproofing. Galvanised and powder coated heavy duty steel posts to take single or double sided showcases. Two posts for concreting into the ground. Finished height of the unit is 2 metres. Available in 4 size options, supplied as a single showcase with a pair of posts. An extra showcase is available to create a double sided unit.
