

# Resist-a-Flame® corridor tamperproof noticeboards

## Top hinged lockable noticeboards with door supports

The ultimate choice for use in corridor applications. The door opens upwards and is kept in place with support stays, offering increased safety whilst changing notices. Made in the UK to the highest specification and meet guidelines set in the BB100 document for safeguarding against fire in schools. 2 locks per door with matching keys. Available in a choice of 11 woven cloth colours. Cloth and pinboard core tested to BS EN 13501. Clear covers tested to BS 476 part 7 class 1Y.
