

WallMaster 300/400

WALL MOUNT WITH EXTRA WIDE BELT

WallMaster wall mounts have the widest range of belt options available on the market. The Xtra models offer the unique advantage of a 50% wider belt making a more visible barrier and allowing bold printed safety messages. Available in four lengths up to 15 ft / 4.6m, WallMaster belts are also available with the industry standard 2" / 50mm width. Standard housing finishes are black or chrome to suit interior décor and high visibility red, yellow or orange for safety applications.
