Full height system with no horizontal joins

When your display needs a taller uninterrupted visual area, then BusyFold® Light 1800 is the most economical choice. Each panel is 600mm wide but is a full 1800mm high, therefore eliminating the central join. Each panel is joined by a full length flexible hinge and can fold against each other for easy storage. Available in a 3, 4 and 5 panel configuration with optional header panels. All panels are double sided with a choice of loop nylon covering, which Black or grey trim available.
