

Eyeline® Presenter

wall or ceiling mounted screens

Material & borders

Matte white projection material with black borders to ensure optimum viewing when seated.

Operation

Manually operated screen using automatic spring roller and blocking mechanism. Bottom bar is designed to prevent jamming in case.

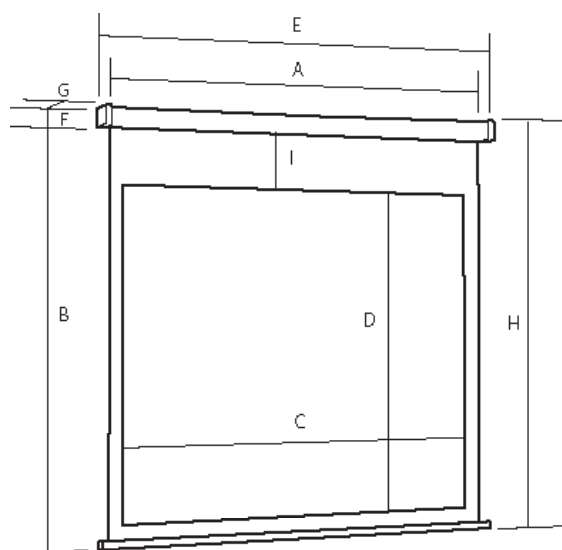

Installation

Mounted on wall or ceiling through end cap fixing bracket. Optional 55cm adjustable extension brackets are available.

Easy to install manually operated mounted screens with black borders to provide a better image definition.

Economically priced for business, education or home.

12 month guarantee.
