

# Eyeline® Wave tab tension screens

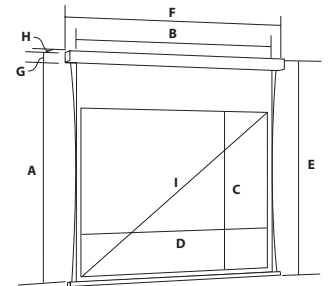

Constant tension to the screen edge gives a pure flat ripple free screen without any edge curl

- Superior flat surface which further enhances the projected image
- Available in both front and rear projection materials with matte black borders
- For optimal viewing height, this screen also features an extended black drop
- The sleek and stylish waved aluminium case offers channel fix style mounting for easy installation
- Mount to a wall or ceiling using channel fix brackets
- Supplied with bare end cable and wall switch
- Optional remote accessories - see page 222
