

Wood mobile noticeboard/dividers

A range of premium handmade beech framed boards

Double sided boards available in 3 sizes of loop nylon faced noticeboard or drywipe whiteboard. Heavy duty frame made from quality lacquered beech sourced from sustainable forests. Edges of the board are rounded for increased safety. Heavy duty wooden feet ensure stability when free standing; wheels are provided if mobility is required. Whiteboard version features a plain drywipe surface to one side, while the reverse has a faint Guideline® grid to aid writing.
