

Colour Edged - WriteOn® Whiteboards

WriteOn® whiteboard wall

Create a continuous drywipe whiteboard wall

The tough ABS edged whiteboards mount flush to the wall and each other due to their frameless design, and simple through the board fixing. White cover caps mask the fixings. This double sided whiteboard features one side plain with a faint Guideline® grid to aid writing on the reverse. Please see some suggestions below on how to cover specific wall dimensions. There are 6 standard sizes to choose from. Special sizes can be produced, prices by quotation.
